PINDI AVINASH

6281404407 | pindiavinash05@gmail.com | Hyderabad,India

Objective

A passionate and driven B.Tech student in Computer Science at Anurag University (expected graduation in 2027). Skilled in programming languages such as Python, C, Java, and SQL, with a strong foundation in technology and coding. Eager to apply my problem-solving skills and knowledge through competitive programming and real-world software development projects.

Education

B.Tech in Computer Science
Anurag University, [Hyderabad]
Expected Graduation: 2027

Intermediate
Sri Chaitanya Junior College, [Ecil,Hyderabad]
Duration: 2021 - 2023 | Percentage: 84.3%

Skills

- **Programming Languages**: Python, C, Java, SQL,HTML
- **Problem-Solving**: Strong analytical and logical thinking developed through competitive programming challenges.
- **Database Management**: Proficient in SQL for querying and managing databases.

Languages

- **English**
- **Telugu**

Competitive Programming & Coding Achievements

- Solved **600+ problems on CodeChef**, earned **Gold Badge (Problem Solving)** and **Diamond Badge (Daily Streak)**.
- Practicing Data Structures & Algorithms on **LeetCode** with **20+ problems solved**.
- Achieved **4 stars in Python** on HackerRank.
